

# Innovative Ag Services Grain Policy Delivered to Pine Lake Corn Processors LLC.

## **DISPOSITION OF GRAIN:**

The driver will provide accurate information to the operator as to the owners name or names and division of the grain. It is also requested that the scale operator be notified of the last load and disposition of grain (Proper splits, deferred payment, etc...) **To be in compliance with the audit requirements of state and federal warehouse agencies we will not change/reverse checks or defer payment contracts after they have been issued.**

## **HOURS OF OPERATION:**

8:00 a.m. to 4:00 p.m.

## **AVERAGING:**

Grain from owners and landlords will not be averaged together. All averaging will be on a per settlement basis to 15.0% moisture. Loads testing 13.5% and lower will default to 13.5%

## **MOISTURE LIMITS:**

Maximum moisture accepted will be 16.0%, loads above 16.0% subject to rejection.

## **MOISTURE DISCOUNT:**

Moisture shrink of 1.4% on corn 15.1 and above. Shrink split on the 1/10 of a point.
