

I really enjoyed working with all of the location managers while working on my project. I was able to experience all aspects of the company which meant that every day was different!

- Ashley Loes, Monticello, IAS 360° Intern

It's a great way to get involved with a growing company! The atmosphere in the work place is very friendly and helpful. They can place you in the area that you would like to specialize in someday.

- Elliot Reicks, Elma, Operations Intern

I really liked the way they worked with me and around my schedule to make it the best internship possible. It also gave me useful knowledge on how I can better my farming practices and even market my grain!

- Randy Kuehn, Elma, Operations Intern

I thought it was really fun interning in Andrew again this summer! I was able to do a little bit of everything. It was also a great experience having my own sprayer to run this summer.

- Ethan Dalldorf, Andrew, Operations Intern

IAS is a great company to intern with. They are very patient and are willing to take the time to teach you what you need to know in order to gain more knowledge and experience in the areas you are interested in.

- Matt Tauke, Manchester, Grain Intern

It was a great way to get agronomy related experience in a close-to-home environment. They have a great staff and have a lot of fun throughout the summer. The knowledge you will gain is stuff that books can't teach you!

-Dakota Lueken, Cascade/Andrew, Crop Scouting Intern

IAS is not only a great place to work, but you learn a lot and it is helpful when you are still trying to determine what you want to do when you finish school. They are able to accommodate a variety of interests!

- Carrie O'Connell, Monticello, Crop Scouting Intern

Innovative Ag was a great company to work for. I learned a lot and it will help me in the future. I really enjoyed all of the opportunities to get all of the interns together and make some new friends!

- Chris Hosch, Manchester. Sales and Marketing Intern

My favorite part about IAS is the amount of work experience I am gaining along with the fun I have with my fellow co-workers. I also absolutely loved meeting and talking with the farmers!

- Chanda Goedken, Manchester/Independence, Crop Scouting Intern

I loved working with the various salesmen and getting to meet with all of the producers. I also really enjoyed learning about all of the new feeds on the market. I worked hard, but the work was fun!

- Pat Bries, Multiple Locations, Feed Intern
