

Innovative Ag Services Co. Returns \$7.7 Million in Cash to its Members

Monticello, IA – Innovative Ag Services Co. (IAS), a leading grain marketer and agricultural supplier with locations throughout Central and Northeast Iowa and Southwest Wisconsin recently mailed over 4,000 deferred dividend checks to its members totaling nearly \$1.7 million.

In addition to this mailing the company has also made other deferred dividend payments including estates totaling over \$800 thousand to our members this last fiscal year. This amount combined with the cash patronage on last year's business total over \$7.7 million of cash returned to Innovative Ag Services members in the last 12 months.

IAS is committed to distributing past profits through deferred dividends each year, as well as continuing to invest in facilities and equipment. The company strives to provide exceptional customer service and capture operational efficiencies to ensure long-term financial success to its members as well as ensuring a viable cooperative to depend on in the future.

IAS is a premier agricultural cooperative providing service and expertise in grain, agronomy, animal nutrition, energy and building supply. For more information, visit www.ias.coop
