

IAS Supports Bethel Generators 4-H Club

Oran, IA – Mark Creery, Location Manager, presented a donation of \$500 from Innovative Ag Services; (IAS) that was matched with funds from Land O’ Lakes Foundation for a total of \$1,000. This donation was given to the Bethel Generators 4-H Club to help with renovations to the South Tile Barn located at the Fayette County Fairgrounds.

This is the second year IAS has donated with matching funds to the Bethel Generators 4-H Club to help with the efforts of renovating buildings at the Fayette County Fairgrounds. The South Tile Barn is now completed. Renovations included re- doing and adding new poles to strengthen the building, a new roof, and re-doing the walls and sides of the building.

Innovative Ag Services proudly supports the improvements made to the local communities within our trade area. IAS looks forward to seeing the completed project and the communities’ utilization of it.
