

## IAS Helps Send FFA Student to Washington, D.C.

Monticello, IA – April Isaacson, Agronomy Advisor, presented a donation to Brooke Kirby for \$150 from Innovative Ag Services (IAS). This donation was to help Brooke, a local FFA student attend the Washington Leadership Conference in Washington, D.C.

Each year, FFA members from all over the United States travel to Washington, D.C., to attend the Washington Leadership Conference (WLC). During the five-day event, attendees learn how to become effective leaders by learning their purpose, how to value people, how to take action and how to serve others.

FFA members leave WLC with the knowledge and the confidence to act in ways that help their schools, community and their country.

Innovative Ag Services is excited to see what the future holds for Brooke Kirby. IAS proudly supports local FFA chapters.
