

IAS Welcomes Iowa FFA State Officers

Monticello, IA – On Monday, July 11, 2016, the Iowa FFA Association visited Monticello. Five Iowa FFA State Officers from across the state attended along with one representative from the Iowa FFA Foundation. Craig Schroeder, HR Generalist did a presentation and Tony Krapfl, Monticello Location Manager gave a tour of the facilities.

As our Purpose Statement States, Innovative Ag Services supports stewardship in our communities through financial commitments and employee involvement. The Iowa FFA State Officers visiting provided:

- Opportunities to help student leaders learn about the opportunities in modern agriculture
- Enhanced engagement between the agricultural industry and students in Iowa
- A way to say thank you to supporters for contributing to agricultural education

Innovative Ag Services looks forward to the continued partnership with the FFA Association and students for years to come!
